

16-19 TUITION FUND STATEMENT

St Paul's Catholic School statement on how it is using the 16-19 Tuition Fund from September 2022

The ESFA has made funding available to schools to support students who have had their learning affected by the Coronavirus pandemic. The Tuition Fund is ring-fenced for schools, FE schools and all other 16 to 19 providers to mitigate the disruption to learning arising from coronavirus.

The funding can be used to provide small group tuition for 16-19-year olds on a study programme where their learning has been disrupted and they have a GCSE Maths and/or English grade of 6 or below at age 16. Although the support is targeted based on prior attainment in Maths/English, the funding is not limited to support in these subjects, and will be provided according to need across a variety of subjects. It is also for students from an economically disadvantaged background and would need catch-up support. These are defined as students from the 27% most economically deprived areas of the country based on the index of multiple deprivation. Additionally, economically disadvantaged students who meet the 16 to 19 Bursary Fund eligibility criteria and would need catch-up support to reach their full potential will be eligible, even where their prior attainment is high. Support is also available to students with an Education, Health and Care Plan (EHCP).

Support is being prioritised where students will benefit most from small group tuition, and particular regard is being given to the requirements of disadvantaged students and students with special educational needs and disabilities (SEND).

St Paul's has committed to using the Tuition Fund that the ESFA has made available to support the following:

- GCSE resit preparation
- Functional skills assessment preparation
- Support for SEND and High Needs Students
- SEND support to catch up on vocational and academic skills and skills and learning that are important for preparation for life after St Paul's
- 1 to 1 study skills sessions to support academic progress
- Career progression for eligible learners

Implementation

St Paul's will use the funding as follows:

- Employment of a 16-19 Student Support Co-ordinator specifically focused on disadvantaged and vulnerable 16-19 year olds impacted by the COVID-19 pandemic.
- Recruiting a number of academic tutors and learning support staff across the school to work with students in small groups to support teaching and learning.
- Run 1 to 1 or small group sessions in addition to the existing timetabled hours, where appropriate and beneficial to the learner.

- Purchase places for students to partake in an Online Tutoring Programme
- Provide learners with access to a Level 6 Careers Advisor
- Support will be offered and provided based on the individual needs of each student, using data to inform and guide this.
- Support sessions will be prioritised for the following students:
 - Those with an Education, Health and Care Plan (EHCP)
 - Those 16-19 year old learners with a Special Educational Needs and Disabilities (SEND)
 - Those who have a grade 4 or below in GCSE Maths and/or English
 - Those students most disadvantaged (from the 27% most economically deprived areas of the country based on the index of multiple deprivation)

St Paul's commitment

The School is committed to a no detriment approach to learners, to ensure no student is disadvantaged by the circumstances of the COVID-19 pandemic. The School will ensure that the tuition fund is used in accordance with the Government's guidance on the 16 to 19 Tuition Fund by:

- Producing this statement setting out how the fund will be used to support the most disadvantaged students.
- Publishing this statement on the School website.
- Recording the use of the fund, including references to individual students who receive support, the needs of those students, the number of hours of tuition delivered and retaining the evidence of the tuition provided.
- Delivering the extra tuition and spend the allocated funds in the academic year 2022/23
- Notifying the Education Skills Funding Agency (ESFA) of any underspend from the Fund for it to be reclaimed.
