

Physical Education and Sport

The cross country season has been very successful this year with some standout performances from Fionnuala, Miami, Brooke and Milo. Well done for your performances representing the school even on weekends!

Milo has progressed to English Schools and the PE department are so proud of him. Some of our students have even supported the Primary Schools Cross Country by being Hares and Tortoises.

ATHLETICS

The Indoor Athletics Teams have smashed it this year coming first in the area in Year 7 and 8 with the girls and boys.

They will represent the East of Leicester at the Country Indoor Athletics!

The Summer Athletic Season will start after the Easter Holidays in preparation for the Area Competition at Saffron Lane.

Netball!!

We have some more amazing results in with Netball! Year 7 won the league and went through to the county knockout stages. The Netball in Year 7 was so popular we entered a B team who came 3rd in the League!

Year 8 also won their league and went through to the county knockout stages.

FOOTBALL

The year 8 boys football team have progressed further this year after Winning the Leicester City Final! They are now through to the quarter finals of the county knockout stages versus Beauchamp College.

We have had a record number of girls representing the school this year in the football! With players right from Year 7-11 playing in fixtures.

We have also had two coaches working with the girls on Monday nights which will continue after half term for Year 7-9 girls.

To follow on from this success the Year 7 girls are League winners and are through to the City Final!

The basketball has gone from strength to strength this year with three teams now winning the City Finals and making it through to the Semi Finals of the County Knockout rounds.

The year 7 boys, year 9 boys and the Key Stage 4 Girls team will play in the next round over the next month so look out for the results!

The Sports Leadership Award has developed further this year with strong numbers opting on to the course. The Sports Leaders course develops the students beyond the curriculum with confidence and communication and it also helps our students stand out on their Sixth form and College UCAS applications. We have had 45 students sign up for the Level 1 course in Year 9 and these students will work with the primary school students on their festival days as part of their assessment.

The Level 2 course has 35 students this year which has only proved how popular the course is!

The school have had a record number of students signing up for the DofE award with 70 students pursuing the bronze award. We have two expeditions this year which are 24th-25th April and 26th-27th April.

We have 21 students going further after the accomplishments on the bronze award and will be doing the silver award! They will be doing the practice expedition in the Peak District on 1st-3rd May with their final expedition in September.

after 
school
sports

The after-school clubs will be updated after half term so please check out what is on offer! We have handball and dodgeball that will be added to the schedule!
