

Sixth Form Enrichment Programme: Unlock Your Potential

At St Paul's Catholic School and Sixth Form, we believe there is more to life than gaining qualifications. That's why we've developed a dynamic and inspiring Enrichment Programme to help you stand out, build essential skills, and develop a genuine love of learning.

Whether you're exploring a new interest, strengthening your existing talents, or preparing for the challenges of university and employment, our Enrichment Programme is designed to take you beyond the classroom and support your growth as an independent and confident individual.

Why Choose Enrichment?

Our programme is more than just an add-on to your studies—it's an opportunity to broaden your horizons, deepen your learning, and prepare for the future. By taking part, you'll:

Develop skills that matter: Improve your communication, critical thinking, problem-solving, and resilience to prepare for university, work, and life beyond.

Discover new passions: Find an activity or skill you never thought you'd enjoy, and perhaps even turn it into an EPQ project or lifelong hobby.

Boost your confidence: Build leadership, teamwork, and creativity while learning to adapt and thrive in any situation.

Stand out to employers and universities: Demonstrate initiative, resourcefulness, and proactivity on applications or in interviews.

Have fun and relax: Take time to unwind, make new friends, and immerse yourself in enjoyable and meaningful activities.

What's on Offer?

Our Enrichment Programme takes place one period per week as part of your timetable and is tailored to help you grow and flourish. With a wide range of activities, you can:

- Join a Sixth Form sports teams or take on the challenge of the Duke of Edinburgh's Award (DofE) Gold.
- Participate in school productions and unleash your creative potential.
- Lead or join a school society to connect with like-minded peers and explore shared passions.
- Engage in community projects, giving back while developing a sense of purpose and empathy.
- Explore activities designed to foster independence, creativity, and resilience, including public speaking, lateral thinking workshops, and independent research.

Benefits That Last a Lifetime

Through our Enrichment Programme, you'll develop:

Essential life skills such as resilience, adaptability, and resourcefulness.

Transferable skills that employers value, including leadership, teamwork, and communication.

A strong personal narrative to share during university applications, interviews, and beyond.
